“Like I Love Country Music”

Opener:

Circle Left

Girl, you gone and done it to me

Harder than a hoochie-coochie

Got me like the first time I heard Alan Jackson's
Chattahoochee

Allemande left, Dosado at home

Allemande left and weave the ring

Baby, I love you like I love country music

Swing and Promenade

Baby, I love you like I love country music

Figure:

Heads (Sides) square thru and go 4 hands around
meet the corner and do a right and left thru

Pass thru, trade by, and then swing thru for me.

Boys run and ferris wheel

The centers square thru 3 hands

swing the corner promenade

Baby, I love you like I love country music

Tag:

Swing her, Let's do it again

Baby, I love you like I love country music

Middle Break/Closer:

Circle Left

Cause I could never live without ya

Or my favorite songs about ya

Top-to-bottom perfect like Brooks and
Dunn's Debut album

Allemande left, Dosado at home

Allemande left and weave the ring

Baby, I love you like I love country music

Swing and Promenade

Baby, I love you like I love country music
