

SG 1063

“We’re All God’s Children”

(Alan Jackson)

Opener:

Circle Left

You like the day and I like the night
He’s into country well she’s not quite
Men star right roll it one time tonight
Allemande Left your corner and weave the ring
We’re all God’s children
Swing your lady there promenade for me
We’re all God’s children, why can’t we be,
One big happy family

Figure:

Heads (Sides) square thru and go four hands around
Meet the corner lady do a right and left thru
Veer left and ferriswheel
The centers pass thru and touch $\frac{1}{4}$
Scoot back and then – scoot back again
Swing that lady there and you all promenade
We’re all God’s children, why can’t we be,
One big happy family

Middle Break/Closer:

All four ladies chain across the ring, roll away circle left
All four ladies Roll-a-way circle left
Allemande Left your corner come on weave that old ring
We’re all God’s children
Swing your lady around and promenade
We’re all God’s children, why can’t we be,
One big happy family

Tag:

Allemande your corner
And then you swing with your own
