“I Knew Jesus”

(Before He Was A Star)

Opener:

Grand Square

Well, how funny it seems as how
Everyone knows Him now
Suddenly they have found
Someone who's been around
Back to the fold they come
Seeking His wisdom from afar

Allemande Left and you weave

I knew Jesus before He was a superstar

Promenade

I knew Jesus before He was a superstar

Figure (Twice for heads twice for sides):

Heads (sides) square through, count to four.

Meet the corner there and **dosado**.

Swing through and then **spin the top**,

Boys move up to a **right and left through**.

Square through three,

Swing your corner and **promenade** home

I knew Jesus before he was a superstar.

Middle Break and Closer:

Grand Square

Oh, I know He was always there
Answering every prayer
Fame will not change Him much
He won't be out of touch
Great as He is today

Big people stay the way they are

Allemande Left and you weave

I knew Jesus before He was a superstar

Promenade

I knew Jesus before He was a superstar

Tag

I knew Jesus before He was a superstar
