“Put Some Miles On It”

(Marshmello/Kane Brown)

Opener:

Circle left

New truck – big lift - old roads we’ve been

Tearin up since way back when

These wheels are innocent

Men Star Right – one time – go round

Left Allemande and Weave the ring

Put some miles on it

Back of the Chevy with engine runnin’ just you and me

In truck bed wide like a California king

We could break it in if you know what I mean

Figure:

Head (Sides) Square Thru

Do sa do your corner one time go round

Swing Thru – Boys Run – Bend the Line

Right & left Thru and you turn in time

Flutterwheel across that ring– Slide Thru

Swing the corner – Promenade Too

In truck bed wide like a California king

We could break it in if you know what I mean

Middle Break/Ending:

Sides Face Grand Square

Mile after mile, after mile, after mile

Turn up the night like the radio dial

Shoulder to shoulder where nobody knows

Know where we’re goin’ –

Allemande Left and Weave the Ring

Put some miles on it

Back of the Chevy with engine runnin just you and me

In truck bed wide like a California king

We could break it in if you know what I mean
