“Sounds Like The Radio”

(Zack Topp)

Opener:

Circle Left

The day I was born the doc couldn't believe
I came out cryin' Chattahoochee
Men star right go one time tonight
Left Allemande and Weave The Ring
Sounds like the radio
Back in '94, you know
Hook a speaker up to my soul
It sounds like the radio

Figure:

Heads (Sides) promenade you travel half way go round
walk in and square thru its four hands now
Go all the way swing thru I say
Boys Run right – you ferriswheel that way
Square thru you get me 3 quarters round
Swing and promenade the town
Hook a speaker up to my soul
It sounds like the radio

Middle Break/Ending:

Sides Face Grand Square
Sounds like the Radio
Back in '94 you know
Hook a speaker up to my soul
sounds like the radio
circle left
Sounds like a dang good time
left allemande - swing and promenade
yea, my whole life - sounds like the radio
