“All My Life’s A Circle” (Harry Chapin)

Opener:

Sides Face Grand Square
All my life’s a circle, sunrise and sundown
The moon rolls through the nighttime
Till the daybreak comes around.
Allemande and Weave
All my life’s a circle, but I can’t tell you why
Seasons spinning round again,
The years keep rollin’ by

Figure:

All four couples promenade half way
When your there 1 & 3 (2 &4) pass thru
Separate around one to a line
Go forward and back
Star thru and zoom
Now center pass thru and swing her
Swing that corner and then Promenade
Seasons spinning round again
The years keep rollin’ by

Middle Break:

Sides Face Grand Square
It seems like I’ve been here before,
I can’t remember when
But I have this funny feelin’, that I’ll be back again
Allemande and Weave
No straight lines make up my life,
All my roads have bends
There’s no clear-cut beginnings,
And so far no dead-ends

Closer:

Sides Face Grand Square
As I find you here again
A thought runs through my mind
Our love is like a circle
Let’s go round one more time
Allemande and Weave
All my life’s a circle, but I can’t tell you why
Seasons spinning round again,
The years keep rollin’ by
