“Nothing A Beer Can’t Fix”

Opener – Middle Break - Ending

Circle Left

*You're all alone at a party, you wanna dance with somebody

*But you ain't got a clue how to ask

Left Allemande there you go run back you dosado

Allemande Left that corner you weave that ring

Ain't nothing that a beer can't fix

Swing your girl and you all promenade you do (Ain't no pain it can't wash away)

+From that moment that it hits your lips (Turn that frown into a smile real quick)

+Ain't nothing that a beer can't fix

Figure:

The heads (Sides) lead right – Pass Thru

You Trade by and a right and left thru

You step to a wave and Swing thru right here there you do

Boy you run - you tag the line all the way through

Girl go left – boy go right

Corner Swing and you promenade her around that ring

From that moment that it hits your lips (Turn that frown into a smile real quick)

Ain't nothing that a beer can't fix

Middle Break:

**You're on a lake and your fishing

** It's hot all that you're catching is a little nibble here and there

Ending:

***You could be lonely, heart broken

***Hung over from the night before

Tag:

+Turn that frown into a smile real quick

+It might take one or it might take six

+Four ladies chain over and back

+There ain't nothing that a beer can't fix
