“Did She Mention My Name”

Opener:

Circle Left

***It's so nice to meet an old friend and pass the time of day**

Talk about the home town a million miles away

Allemande your corner – turn partner by the right

Left allemande weave the ring

Did she mention my name just in passing

****When the morning came Swing & Promenade**

*****Is the ice still in the river – Are the old folks still the same**

By the way, did she mention my name

Figure:

Four ladies chain now turn the girl and then

Heads (Sides) couples promenade half way round again

Walk in and square thru and you get four hands around

When you get out there - make an ocean wave

swing thru – boy run right – half tag

Swing that corner - promenade

******Is the home team still on fire, do they still win all their games**

By the way, did she mention my name

Closer:

Four men promenade one time around

back home and then swing your girl once around

Join sixteen and circle round the ring

Left allemande and you weave around the ring

Did she mention my name just in passing

Looking at the rain, did she drop a name or two

Say hello from someone, they'll be no need to explain

By the way, did she mention my name

Are the young girls still as pretty in the city in the fall**

****When the talk ran high Swing & Promenade**

*****Does the laughter on their faces still put the sun to shame**

******Is the old roof still a leakin' when the late snow turns to rain**
