“Brand New Star”

Opener:

Circle Left

*There's a brand new star up in heaven tonight
Shining down on us, glorious and bright
Left Allemande turn your partner by the right
Left Allemande, Weave around that ring
There's a brand new star up in heaven tonight
Swing your girl and promenade the ring
I 'm gonna miss you every day, but I know that you're alright
There's a brand new star up in heaven tonight

Figure:

1 & 3 (2 & 4) lead to the right then veer to the left
Girls trade, hang on couples trade
Now bend the line and reverse flutterwheel
Get that girl now when your there
Touch a quarter – Single file circulate
Boy run right and then
Swing the corner girl promenade the ring
I'm gonna miss you every day, but I know that you're alright
There's a brand new star up in heaven tonight

Additional Words:

*There's a peace in my heart that helps me move along
A calm in my conscience that helps me sing this song
**There's a break in the cloud the sun is shining through
It speaks to my soul in a voice that sounds like you
